

Thanks for your purchase and support 🙌

To access your template, please click the link below ↓

[🔗 Here is the link to your template](#)

To customize this template:

- You must have a Canva account. It is FREE, although to get the full benefits of this template, Pro is recommend. [Click here to try it for 30 days.](#)
- Edit any pages or graphics, customize page designs, rearrange items and add new pages, etc.
- It's preferable to customize this template via a computer, and not on a mobile device.

[🔑 Click here for a 30 day free trial of Canva Pro](#)

Please follow these directions below.

1. Click the template link below. This will open the template in your Canva account. Make sure you are signed in to your account. If you do not have an account (Pro is recommended), please create an account here.
2. When the template opens, click the "Use Template" button to start customizing.
3. **TIP:** I recommend saving two copies of the template. That way you can leave one unchanged and make and make all you edits to another copy (just in case you need to start over).
